

## MOBILE VET CENTER OUTREACH

When a VA Vet Center is miles from your home, it's a long drive to access its many services. When those services come to you on wheels, life gets a little more convenient.

The Mobile Vet Centers (MVCs) of the Department of Veterans Affairs provide readjustment counseling and information resources to Veterans across the country. Like community-based Vet Centers, Mobile Vet Centers focus on services that help Veterans make the difficult transition between military and civilian life.
