The Nevada Veterans Assistance League, (NVAL) is a 501 (c) (3) non-profit organization pursuant to all IRS regulations. Gifts to NVAL are tax deductible according to each individual donor's situation. Gifts to NVAL support the needs of residents who reside at the Nevada State Veterans Home. NVAL... GGGG

“Caring for America’s Heroes!”

Dear Friends,

We are continually amazed by the number of people who approach us each year asking for opportunities to assist veterans residing at the Nevada State Veterans Home through contributions. Friends like you are at the very heart of our Home.

With this in mind, we have put together this pamphlet identifying “gift opportunities” for our present and future supporters. We offer this list of programs that have been established to provide you with an opportunity to assist us in serving our residents.

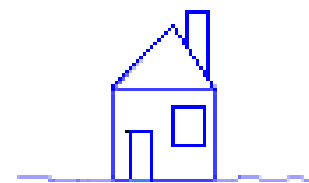

We thank you for your friendship and thoughtfulness in helping us to provide the best care possible for Nevada’s veterans - by making our house their *Home!*

We are “Caring for America’s Heroes,”

Gary Bermeosolo, NFA
Administrator, NSVH

Robert Garlow, USAF/Ret.
Chairman, NVAL

When does a house

become a *HOME*?

**NEVADA VETERANS
ASSISTANCE LEAGUE**

...When you add LOVE!

The Nevada Veterans Assistance League, (NVAL) was established to meet the ongoing needs of America's heroes who reside at the Nevada State Veterans Home (NSVH.) Gifts to NVAL ensure a sense of security, happiness, dignity, independence, and usefulness for residents.

Whether it's independence gained by a new battery for an electric wheelchair, to a traditional backyard cookout made possible by the purchase of gas BBQ grills, to a much-needed haircut for a resident lacking the resources, or being able to watch the "big game" on a big screen LCD television, NVAL is there!

Residents determine, through their own *Resident Council*, how funds designated for their use are spent. In the past, they have chosen outings to see the Las Vegas 51's, UNLV football and basketball games, numerous shows on the Strip, and many cultural attractions, such as museums, art shows, and theatre.

NVAL recognizes that resident needs transcend traditional "medical care" and is committed to meeting those needs. However, NVAL cannot do it alone - they need your help. It's gifts of love, from individuals like you, that make everything NVAL does possible!

NVAL... making a veterans' facility a veterans' *Home* through your gifts of love!

And there are many opportunities to give from the heart...

Room Sponsorship – The *Room Sponsorship Program* provides family and friends of veterans with the opportunity to sponsor a veteran's room at the Nevada State Veterans Home. Your contribution will be acknowledged on a recognition plaque near the entrance to a room. Gifts made in this manner are deposited into NVAL's *Endowment Fund* which ensures a perpetual gift for residents.

Fountain of Honor – Located in the main lobby of the Nevada State Veterans Home, the *Fountain of Honor* provides an opportunity to reflect and remind everyone entering the Home of the legacy of veterans who have answered the final roll call. Gifts made to the *Fountain of Honor* will be placed in NVAL's *Endowment Fund*.

Veterans Olympics – The annual *Veterans Olympics* connects yesterday's serviceman with today's active military men and women. Together, they share current and past experiences while participating in Olympic events. The gleaming gold, silver, and bronze medals and radiant faces attest to the success of this event. Your contributions defray program costs and enhance the quality of life of residents.

Planned Giving – Through your donation of real property, bequests, estate planning, life insurance, and tangible items, your generosity enhances the quality of life for residents of the Home. Gifts may be designated for specific uses by donors.

Resident Fund – Gifts to this fund are spent according to the wishes of residents, through a voting process that takes place at *Resident Council* meetings.

Endowment Fund – Gifts to this fund are combined and invested. The interest earned by these "pooled" gifts is available to be utilized for residents, as needed.

Employee Fund – Gifts to this fund are used to sponsor "morale-boosting" events for the team caring for America's heroes.

These are just a few of the opportunities NVAL offers to enhance the lives of residents at the Nevada State Veterans Home. Other "specific" opportunities are determined as needs arise or a donor indicates a specific designation.

**Your love,
our house...
their *Home!***
